Special Events

Putting the Fun in Fundraising

Special Events are a fantastic way to create awareness, infuse your workplace with energy, and boost employee morale. They certainly can raise money, but the real value in special events is the excitement and momentum they create for your annual United Way workplace campaign.

Nothing inspires people to action like a compelling story of lives changed as a direct result of their support for the campaign. There are many passionate volunteers ready and willing to share their stories of triumph over adversity on United Way's Speakers' Bureau. Or consider playing our campaign videos to raise awareness about the work United Way does in our community thanks to workplace campaigns just like yours.

Special event dollars play a vital role in helping United Way of Winnipeg continue its work in the community through activities like:

- Market research and development to ensure United Way understands and responds to the needs of both donors and the community;
- Upgrading or purchasing of fixed assets like computers to ensure we can keep up with technology and the needs of our clients;
- Participation costs in United Way of Canada that allow us to work collaboratively with other United Ways, developing innovative programs and sharing knowledge and best practices.
