United Way of Winnipeg
HONOUR ROLL

Edward Kennedy

2011 United Way Campaign Chair

Last year, Winnipeggers raised over \$18.9 million through United Way to support thousands of vital programs and services delivered in every corner of our community.

It's a wonderful expression of a deep-founded spirit of caring and compassion that has paved the way for the life we enjoy today in this city, and creates a strong foundation for even better lives tomorrow.

Every single dollar of that incredible achievement will go to work in our community ensuring stability and continuity of service for a network of almost 100 agency partners that are changing lives for our friends, family, neighbours and co-workers.

This book celebrates the many generous Winnipeggers – from first time donors to veteran supporters – who recognize that United Way is one of the best places to invest their time, energy and money.

Because of you, more kids have a safe haven from the threat of crime, drugs and life on the streets; more individuals and families can leave behind a life of poverty for a world of possibility; and more people than ever will have a place and purpose to connect, respect and learn from one another.

Because of you, there is a way.

Edward Kennedy
President and CEO
The North West Company

Len Penner

2011 United Way Deputy Chair, Leadership

Imagine if just one more Winnipegger had the foresight to say “we can,” the courage to say “we will,” and the determination to say “we did.” The opportunity that might unfold before us if just one more person believed a community worth living in is one worth investing in...a leader who recognizes that change is constant, for better or worse; that good things happen when people take action together and that all it takes is one person to start something big.

In 2010, more than 2562 Winnipeggers from all walks of life decided to be that person. By pledging between \$1200 and \$125,000 each, these people became United Way Leadership donors. Together, they contributed almost \$8 million – 40% of United Way’s entire community investment. Their names are recognized on the following pages.

And their ranks are growing in numbers – by more than 200 over the past few years. It all adds up to powerful change in our community.

Thank you all for believing in our city and in a better life for everyone through United Way.

Without Leaders, there would be no way.

Len Penner

Through our workplace campaigns, we have had the opportunity to meet the amazing people working on the front-lines to help address issues like poverty and crime, support families and make our community better. The success stories we’ve heard have inspired us to give.”

* 10+ years of Leadership giving

Romel Dhalla

Investment Advisor, BMO Nesbitt Burns
Board of Governors, University of Manitoba

“My mentor, Bob Chipman, suggested I consider supporting United Way. Since then, I’ve been volunteering as an Account Executive and became a regular donor. This year, I stepped up to the Leadership level to reflect the generosity and commitment of my co-workers at BMO Nesbitt Burns and the staff and faculty at the University of Manitoba where I’m a board member. I think we all feel that United Way is one of the best ways to reduce poverty and improve lives in Winnipeg.”

Gifts to the
TOMORROW FUND

United Way of Winnipeg's endowment fund

Serena Kraayeveld, FCA

Chair, United Way's Tomorrow Fund Committee

“Each year the Tomorrow Fund has grown through gifts of cash, securities, insurance and bequests from donors who understand the importance of creating a permanent endowment fund to support our community’s needs in the future. We’re proud to say the capital value of the Tomorrow Fund reached \$9.5 million in 2010.

There is an old saying that tomorrow is the busiest day of the week. We thank all of our donors and volunteers who have taken action today to ensure the Tomorrow Fund supports United Way’s important work in our community tomorrow.”

Tomorrow Fund Donor

Eleanor Wiebe Q.C. and James MacEwan are very happy with their father's decision to establish the Dr. Douglas and Elizabeth MacEwan named fund within United Way's endowment, the Tomorrow Fund.

“Very often people think their contribution doesn't make a difference. But it does. If everybody does or gives something, you can deal with all kinds of problems. And I think that's my parents' legacy...if you can't give money give time, but make sure you do something for our community.”

This book is generously sponsored by RBC.

The RBC Community Blueprint includes building prosperity by contributing to the communities in which we live and work. The RBC tradition of philanthropy dates back to our roots, with donations on record as far back as 1891. Our priority is to make donations that offer a lasting social impact, and we know United Way is a key community partner making a positive difference in the lives of many people.

RBC Royal Bank is pleased to support this year's Honour Roll and the many caring individuals and outstanding organizations who so generously support our community. People in our community have the vision and willingness to invest in United Way in helping to create opportunities for a better life for everyone. We thank the many supporters who are investing in our community through United Way.

A handwritten signature in black ink, appearing to read "Rob Johnston".

Rob Johnston,
