# THANK YOU WINNIPEG!

**Once again, you proved what an exceptional city this is.**

On the heels of one of the most challenging campaigns in history, Winnipeggers stepped up to raise over \$18.9 million dollars for our community through United Way in 2010.

In United Way's annual Salute to Organizations, we recognize the community minded businesses and organizations who, through workplace campaigns, employee donation matching, and corporate giving, inspired unprecedented support for the campaign and ensured stability and continuity of service for a network of almost 100 agency partners.

We also recognize Pacesetters, organizations that begin campaigns particularly early in the year and create excitement and momentum for the rest of the city.

Because of you, kids in Winnipeg are safe from the threat of crime, drugs and life on the streets; families are achieving greater financial stability and gaining hope for the future; and more people than ever are playing a role in making our community a stronger, safer and healthier place to live.

**Because of you, there is a way.**

**Edward Kennedy**  
2011 Campaign Chair  
United Way of Winnipeg

# DAY OF CARING

*At The North West Company, we have a proud relationship with United Way which spans over 20 years. We have participated in the Days of Caring program for several years, and in 2010, we wanted to do something very special.*

*Partnering with Boys and Girls Clubs of Winnipeg, we had over 140 volunteers from across our organization spend a week building a vegetable garden in Gilbert Park.*

*While our Days of Caring project lasted only five days, participating in this project made a life-long impression on everyone involved as we witnessed first-hand how United Way agencies can change lives in our city.*

**Scott McKay**, Vice President and General Manager, Giant Tiger West Store Division, The North West Company

---

**A Day of Caring provides opportunities for team building** and to gain a greater understanding of the needs in our community.

Thank you to these workplaces and organizations who lent time, materials or other resources to help United Way agency partners complete painting, renovations, event planning, and landscaping projects. These projects would not have been possible without these volunteers.
