

HELP YOUTH SHOW US WINNIPEG THROUGH THEIR EYES

United Way
Winnipeg

United Way of Winnipeg is looking for donations of used digital cameras so hundreds of youth in our city will get the chance to learn about art and their community.

Art is a tool for **community development, social change** and **individual growth**. Digital photography workshops will teach youth **new skills** and **self-expression**, through which they'll gain **confidence** and **self-esteem**. This can make a big difference in how they approach school and interact with others.

Thanks to your support, the young artists will get the opportunity to showcase their work at a multi-media art show this spring!

DONATIONS OF USED DIGITAL CAMERAS WITH COMPATIBLE ACCESSORIES (BATTERIES, MEMORY CARDS, USB CORDS) CAN BE **DROPPED OFF AT UNITED WAY AT 5 DONALD STREET THROUGHOUT MARCH DURING BUSINESS HOURS**. IF YOU COLLECT MORE THAN 10, PLEASE CALL UNITED WAY AT **477-5360**. WE'D BE HAPPY TO PICK THEM UP.
